

ALL SEASONS ORCHESTRA

HAPPY NEW YEAR EVERYONE!

May it be filled with music and dancing and all things good...

Yup... It's January alright and it's blinking freezing! We had a wonderful Autumn term celebrating our 2nd birthday, and getting to start looking at *Sussex Sea Moods*– the piece Stephanie Cant wrote as our birthday present! And we have munched our way through an incredible selection of cakes over the Christmas period - not a single mince pie in sight at our last rehearsal of term, so we made up for that at our mince pie party the Saturday before Christmas when we were joined by Brian's all singing all dancing stuffed toy band – oh yes... it has to be seen to be believed – Brilliant!

So, we're stuffed as are the folders for this term when we've got some real treats for you... How about a little Bach, a little slushy Tchaikovsky Romeo & Juliet Overture (the reduced version so we can fit in the room), and as a special New Year's treat... a bit of Nutcracker with a Beatles twist... Well, you'll have to come along and find out won't you?!

Thank you to everyone who has contributed to the orchestra, be it by making tea, transposing parts, arranging music, washing up, updating the website, sellotaping and sorting music, promoting the orchestra, keeping track of our pennies, creating images for our publicity, keeping me sane, or turning up and playing – there simply wouldn't be an orchestra if you didn't! And it is so lovely to be part of a group where so many people are so willing to contribute in so many ways – it really does make all the difference – THANK YOU!
